Let's make the internet a better place!

In 2004, Safer Internet Day kicked off in Europe. Thereafter, on the second Tuesday of February every year, like-minded people all over the world reaffirmed their commitment to create a safer internet for everyone. On 12 February 2019, Spring View Primary School will join many other schools in the nationwide commemoration of Safer Internet Day!

At Spring View Primary School, our objectives are to educate you about the perils of cyberspace and equip you with knowledge and skills to be safe online. Seeing that our objectives cannot be achieved in a single day, we will be rolling out a "Cyber Savvy" programme in the course of the year to help all of you navigate cyberspace with discernment and confidence. So, participate actively in the activities and be a cyber-savvy Spring View pupil!

SPOTLIGHT ON CYBERBULLYING

What are some examples of cyberbullying?

- Hurtful messages, texts or emails
- Embarrassing photos or videos
- Excluding someone online
- Spreading false rumours about someone online

How can you stand up to cyberbullying?

1. **STAY CALM** – An agitated response may trigger more bullying
2. **RECORD THE EVIDENCE** – Save screenshots, messages, comments, photos or videos that show acts of bullying
3. **BLOCK THE BULLY** – Prevent the bully from contacting you
4. **CONFIDE IN SOMEONE** – Let trusted adults like your parents or teachers know and seek their support and advice

If you know that your friend is being cyberbullied, speak to your friend openly and show that you care. Be supportive and sensible, and advise your friend to confide in trusted adults.

What the "Cyber Savvy" Programme has in store for all of you!

Primary 1 Pupils

E-learning is an important part of school life! Your teachers will take you to the computer labs to guide you through the steps so that you can use your computers at home to learn independently!

Primary 4 Pupils

Sign up to be a Cyber Savvy Champion & enjoy the 5-day training camp that will be conducted by your teachers! Step up, take the lead and be responsible for spreading important internet safety messages to all your peers next year! Register with your teacher and sign up by 9 November 2018!

Primary 2 & 3 Pupils

The cyberspace offers a wealth of interesting and educational tools! Trainers from Cyber Whiz will help you discover some of the most popular ones!

Primary 5 Pupils

Complete the "Cyber Savvy" card activities in pairs & stand to win attractive prizes!

Primary 6 Pupils

Learn what cyberbullying is about and how you can stand up to cyberbullies! A 3-day "Be Cyber Smart" workshop led by Cyber Whiz trainers will be part of your post-PSLE activities!

Calling all friends and neighbours of Spring View Primary School! We will be having an Open House for Safer Internet Day in 2019. Our Cyber Savvy Champions will be sharing useful computer skills with you. If you have an interesting skill to share, online tools to use, or any questions about the internet, drop us a message into a box in the General Office by 9 November 2018 and we will get back to you.

Mr Simon Cheng
Teacher-in-charge of the "Cyber Savvy" Programme
